In accordance with SANS 10232-4

PROPER SHIPPING NAME

FLAMMABLE LIQUID; N.O.S.

UN No.	1993
Class	3
Subsidiary Risk	
Packing Group	III
Guide No.	128

APPEARANCE

Liquid; Yellow to light brown; Characteristic Aromatic

POTENTIAL HAZARD (DANGER)

● Runoff to sewer may create fire or explosion hazard. ● Inhalation or contact with material may irritate or burn skin and eyes. ● Fire may produce irritating, corrosive and/or toxic gases. ● Vapours may form explosive mixtures with air.

PERSONAL PROTECTIVE EQUIPMENT

● Protective goggles or face shield. ● Protective gloves. ● Protective shoes. ● Eyewash bottle with clean water. ● Respiratory safety device that will allow driver to escape. ● Light protective clothing.

DRIVER INTERVENTION EQUIPMENT

● Chemical protective clothing that is specially recommended by the manufacturer. ● Dry chemical or CO2. ● Sand or other absorbent. ● Shovel.

DRIVER FIRST ACTIONS - Only if it can be carried out without personal risk

● Contact emergency services. ● Stay upwind, uphill and/or upstream. ● Stop the engine. ● Avoid contact with spilled material.

DRIVER SPECIAL/ADDITIONAL ACTIONS - Only if it can be carried out without personal risk

● Stop leak if you can do it without risk. ● ELIMINATE all ignition sources (no smoking, flares, sparks or flames in immediate area). ● Do not touch or walk through spilled material.

DRIVER ACTIONS IN CASE OF FIRE - Only if it can be carried out without personal risk

● Large Fire - Move containers from fire area if you can do it without risk. ● Small Fire - Dry chemical, CO2, water spray or regular foam. ● CAUTION: All these products have a very low flash point: Use of water spray when fighting fire may be inefficient. ● CAUTION: For mixtures containing alcohol or polar solvent, alcohol-resistant foam may be more effective.

FIRST AID

● Give artificial respiration if victim is not breathing. ● Remove and isolate contaminated clothing and shoes. ● Wash skin with soap and water. ● Move victim to fresh air. ● In case of contact with substance, immediately flush skin or eyes with running water for at least 20 minutes.
